

RESOLUTION NO. 7221

A RESOLUTION introduced by Mayor Harry Felker to use Transient Guest Tax funds for the purchase of a portable wheel chair lift to be used at Topeka Performing Arts Center and authorizing the same.

BE IT RESOLVED by the Council of the City of Topeka that it finds the following described public improvement to be necessary and in the public interest and does hereby authorize same as hereinafter described:

A. GENERAL NATURE OF IMPROVEMENT:

The City is working on resolving an ADA (Americans with Disabilities) complaint regarding accessibility by disabled individuals at TPAC. One of the issues is the lack of accessibility to a wheel chair lift to get a person in a wheel chair onto the TPAC stage. Because of the various uses of the TPAC stage, installing a permanent lift is not feasible. However, a portable wheel chair lift that could be used when needed will satisfy the ADA accessibility issue. This portable lift will be stored at TPAC.

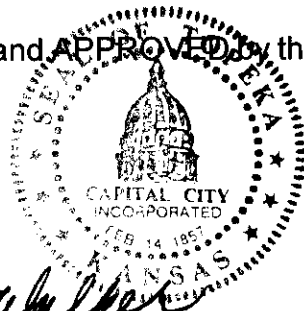

B. ESTIMATED OR PROBABLE COST:

\$20,000.00

C. SOURCE OF FUNDS:

Transient Guest Tax Fund
