

RESOLUTION NO. 7343

A RESOLUTION introduced by Mayor Harry Felker, describing Improvement Project No. 60587-00, which provides for the design phase services for improvements along North Kansas Avenue as more specifically described herein and authorizing the same.

BE IT RESOLVED by the Council of the City of Topeka that it finds the following described public improvement to be necessary and in the public interest and does hereby authorize as hereinafter described:

A. GENERAL NATURE OF IMPROVEMENT:

This Project provides for the Design Phase Services for improvements along North Kansas Avenue as follows:

Improvements along North Kansas Avenue are from Norris to Gordon Street including but not limited to street lighting, colored concrete pavers, ADA standard parking stalls and signage, ADA accessible ramps, crosswalks, traffic signals, landscaping additions, and an overhead entry gateway. The City may elect to extend the project limits based on available funding. This Project shall be designed according to Streetscape Design Guidelines.

B. ESTIMATED OR PROBABLE COST:

\$41,500.00

C. APPORTIONMENT OF COSTS:

Quarter Cent Sales Tax Revenue

ADOPTED and APPROVED by the City Council May 27, 2003.
