A RESOLUTION introduced by Councilmembers John Alcala, Sylvia Ortiz, and Lana Kennedy requesting the City Manager to set policy regarding City employees' contact with the public.

WHEREAS, only after careful and deliberate consideration should the City of Topeka make a formal complaint to an employer regarding perceived misconduct by their employee. When it becomes necessary for a formal complaint to be lodged, a City employee on the City's behalf should do so only after receiving prior approval by the City Manager.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Topeka that it requests the City Manager to initiate a policy wherein no City employee acting on the City's behalf may contact an employer to lodge a complaint against an employee without prior approval of the City Manager.

ADOPTED and APPROVED by the City Council February 13, 2007.
