WHAT'S NEW

Oakland has been a very exciting place the past few months with classes, athletics, and rentals. Our Spring Break Cheer-leading camp had 10 girls and our Spring Break Basketball Camp had 23 participants! Youth Volleyball and Adult City League Volleyball has also got under way in the months of February and March. If you haven't been in the center lately you may notice fresh paint in many of our rooms and an updated computer lab (SEE PAGE 2 FOR PICTURES).
