Adaptive Recreation is interested in starting two new teams—wheelchair softball and flag football. We are planning a morning focused on each sport to have some fun practicing without the pressure of keeping score. We are hoping to get enough people together to eventually have teams that can scrimmage, but we aren't there yet. We need YOU to help us by participating!

Wheelchair Softball practice is on September 3 from 9am to 11am. We will practice hitting, throwing and basic game play at the new accessible diamond in Gage Park!

Flag football practice is on September 24 from 9am to 11am. We will practice throwing, catching and basic game play at the field just south of the new accessible diamond!

Call 368-0989 or email abridges@topeka.org to let us know that you are attending either practice and so we can get you on the roster for future events.
