1. **Authority**

- 1.1 **Charter:** Charter Ordinance No. 94 of the City of Topeka provides that the council may determine its own rules of procedure for meetings. The following set of rules shall be in effect upon their adoption by the council and until such time as they are amended or new rules adopted in the manner provided by these rules.

2. **General Rules**

- 2.1 **Meetings to be Public:** All official meetings of the council shall be open to the public, except for executive sessions as provided for by state statute. A journal of proceedings shall be open for public inspection. Persons attending meetings of the council shall turn off or shut down power on any device or instrument capable of emitting an audible sound or tone before entering the meeting room. The use of any electronic telecommunications devices emitting an audible sound or tone, including but not limited to cellular telephones and electronic pagers, by persons attending a council meeting is prohibited. Councilmembers, the mayor, and public safety personnel are excepted from this prohibition relating to electronic telecommunications devices.
- 2.2 **Quorum:** A majority of the members of the council shall constitute a quorum and be necessary for the transaction of business. If a quorum is not present, those in attendance will be named and they shall adjourn to a later time.
- 2.3 **Compelling Attendance:** The council may adjourn from day to day to compel the attendance of absent members.
- 2.4 **Journal of Proceedings:** An account of all proceedings of the council shall be kept by the city clerk and shall be entered in a book constituting the official record of the council.
- 2.5 **Ordinances: Confined to One Subject; Exceptions:** No ordinance except an appropriation ordinance, an ordinance adopting or embodying an administrative or governmental code, or an ordinance adopting a code of ordinances, shall relate to more than one (1) subject, which shall be clearly stated in its title.
- 2.6 **Right of Floor:** Any member desiring to speak shall be recognized by the meeting chair, and shall confine his or her remarks to the subject under consideration or the one to be considered.
- 2.7 **Duties of City Manager Relative to City Council:**
(a) The members of the council and the city manager shall observe scrupulously the relationship and the respective authorities and

responsibilities of each as provided by the statutes, city ordinances, council rules or procedure and the ethics of good conduct. Generally speaking, the council shall act as a policy-making body only except as specifically provided otherwise by statute and the city manager shall act as the administrative head of the city. The council shall delegate to the city manager all administrative duties not specifically required by statute to be performed by the council. No member of the city council or the mayor shall interfere directly with the conduct of any municipal department. All instructions or direction to the city manager shall come from the council as a whole after approval of a majority (five) of the council. The city manager shall disregard any other instructions or directions and shall refer them to the council as a whole. Requests for routine information may be made to the city manager, department heads or their designees by individual councilmembers or the mayor, but all requests for lengthy or detailed reports shall be made only to the city manager. No instructions or directions shall be given by individual councilmembers or the mayor to department heads or to other city employees who shall refer such instructions immediately to the city manager, who, in turn, shall bring such improper actions to the attention of the entire council for such action as may be appropriate in each individual case.

(b) The city manager shall act as the administrative head of the city and in such capacity shall direct the affairs of the city within the limits of the budget, the policies established by the city council and the requirements of the statutes. The city manager or a designee shall attend all meetings of the council unless excused by a majority (five) of the council. The city manager shall prepare and submit the annual budget to the council, shall keep the council advised as to the financial condition and requirements of the city and shall make recommendations to the council on all matters concerning the welfare of the city. The city manager shall have no vote in the public meetings of the governing body and shall refrain from attempting to establish policy except as he shall make recommendations to the city council as a whole. The city manager shall be employed by a majority (five) of the council and shall serve at the pleasure of the majority (five) of the council. The city manager shall conduct him or herself as to observe the highest standard of ethics of the city manager profession. When requested by the city manager (and not by individual members of the council) certain department heads and employees of the city shall attend council meetings. The city manager shall consult with the council on matters pertaining to the affairs of the city.

2.8 Duties of City Attorney Relative to City Council:

(a) The city attorney or a designee shall attend all meetings of the city council. He or she shall draft or cause to be drafted all ordinances, resolutions, contracts, releases, agreements and other instruments pertaining to legal actions of the city which shall have been approved as to form and legality by the city attorney or a designee before presentation to the council. When requested by any member of the council or the mayor, the city attorney

shall furnish an opinion, either written or oral as may be appropriate in each case, concerning parliamentary rulings, interpretations of council rules of procedure and opinions as to legality of matters under consideration. The city attorney is the chief legal advisor to the governing body and the city manager, who are entitled to rely upon his legal opinions which shall be considered final as they relate to municipal affairs except as they may be adjudicated in the courts.

(b) The city attorney shall be the parliamentarian for the council, and shall provide advice and counsel to the meeting chair on all infractions of the council rules and procedures for the conduct of meetings. However, the meeting chair shall rule on all such matters, as provided by Rule 4.4.

2.9 City Clerk: The City Clerk or a designated representative shall attend all meetings of the council and shall keep the official journal (minutes) and perform such other duties as may be requested by the council.

2.10 Officers and Employees: When there is pertinent business from their departments on the council agenda, department heads of the City shall attend such council meetings upon request of the city manager.

2.11 Rules of Order: "Roberts Rules of Order Revised" shall govern the proceedings of the council in all cases, unless they are in conflict with these rules.

2.12 Television Coverage: Except as otherwise provided herein, the public portions of any city council action meeting shall be televised live, subject to budget constraints or technical difficulties.

2.13 Seating During Council Meetings: The council shall be seated in council district order.

3. *Types of Meetings*

3.1 Regular Meeting: The council shall meet in the council chambers for regular, adjourned, and special meetings. A schedule of regular council meetings shall be established by ordinance as provided for by Charter Ordinance No. 94.

3.2 Special Meetings: Special meetings may be called by the mayor or by four (4) or more members of the council. The call for a special meeting shall be filed with the city clerk in written form, except an announcement of a special meeting during any regular meeting at which all members are present shall be sufficient notice of such special meeting. The call for a special meeting shall specify the day, the hour, and the location of the special meeting and shall list the subject or subjects to be considered. No special meeting shall

be held until at least twenty-four (24) hours after the call is issued. Only such business may be transacted at a special meeting as may be listed in the call for said meeting or an incident thereto.

- 3.3 Adjourned Meetings:** Any meeting of the council may be adjourned to a later date and time, provided that no adjournment shall be for a longer period than until the next regular meeting.
- 3.4 Work Sessions:** The council may meet informally in work sessions (open to the public), at the call of the city manager or of any five (5) members of the council, to review forthcoming programs of the city or receive progress reports on current programs or projects, or receive other similar information from the city manager and city staff, provided that all discussions and conclusions thereon shall be informal and no action shall be taken. Work sessions shall be televised. They shall not be a forum for public comment or debate on any subjects under discussion by the council.
- 3.5 Executive Sessions:** Executive sessions or closed meetings may be held in accordance with the provisions of the Kansas Open Meetings Act. Topics that may be discussed would be: (1) personnel matters, (2) considerations of acquisition of property for public purposes, (3) potential or pending litigation in which the city has an interest, (4) employer-employee negotiations, and (5) any other matter provided for in K.S.A. 75-4319, as amended.
- 3.6 Attendance of Media at Council Meetings:** All official meetings of the city council and its committees shall be open to the media, freely subject to recording by radio, television, and photographic services at any time, provided that such arrangements do not interfere with the orderly conduct of the meetings.

4. Chair and Duties

- 4.1 Chair:** The mayor, if present, may preside as chair at all meetings of the council. In the absence of the mayor, the deputy mayor shall preside. In the absence of both the mayor and deputy mayor, the city clerk shall preside until a chair is elected. The chair shall not remove an item from the table once the city clerk has read it and discussion on the item has commenced.
- 4.2 Call to Order:** The meetings of the council shall be called to order by the mayor or, in the mayor's absence, by the deputy mayor. In the absence of both the mayor and the deputy mayor, the meeting shall be called to order by the city clerk for the election of a temporary chair.
- 4.3 Preservation of Order:** The chair shall preserve order and decorum, prevent attacks on personalities or the impugning of member's motives, and confine members in debate to the question under discussion. The following

will not be tolerated: uttering fighting words, slander, speeches invasive of the privacy of individuals, unreasonably loud or repetitious speech, and speeches so disruptive of council proceedings that the legislative process is substantially interrupted. Any councilmember engaging in any of these will be warned once by the chair and if any of these engaged again, the councilmember will be ordered to leave the council chambers and that order shall be effective after a two thirds 2/3rds affirmative vote of the councilmembers present. If necessary, the councilmember will be escorted from the chambers if such councilmember persists in interfering with the ability of the council to reasonably carry out council functions.

- 4.4 Point of Order:** The chair shall determine all points of order, subject to the right of any member to appeal to the council. If any appeal is taken, the question shall be, "Shall the decision of the chair be sustained?" [See also Rule 2.8]
- 4.5 Questions to be Stated:** The chair shall state all questions submitted for a vote and announce the result.

5. Order of Business and Agenda

- 5.1 Agendas:** Except under the most unusual circumstances, all council meetings shall be conducted strictly in accordance with a written agenda in order that the members of the council, the city manager, city staff, and the public may be informed as to the matters to be considered and may have an opportunity either to prepare themselves or to be present for such purposes as may be appropriate. Agendas for meetings shall be furnished to councilmembers at least eleven (11) days prior to possible council action on the item. This rule does not preclude the city council from adding of items (by majority vote) or the city manager from adding items to the consent agenda after this deadline. (See also Rule 6.3.) If items are added a final agenda shall be delivered to councilmembers at least five (5) days prior to the council meeting. The agenda shall be made public in advance of the meeting. Agendas may be furnished to individual members of the council by delivering the agendas to the council office either electronically or via hard-copy.

The agenda shall be divided into general sections, as specifically provided below. The order in which sections of the agenda will be considered will be as set forth in the order of business as provided herein. The agendas will be prepared with such procedures as may be established by the city manager and the council.

5.2 Order of Business:

(iv) **Proclamations.** The meeting chair will present the scheduled proclamations.

(v) **Attendance.** The Clerk shall note the attendance of the Councilmembers and shall enter as a matter of record their presence or absence during all or any part of the meeting.

(vi) **Approval of Minutes of Previous Meeting.** Minutes of the previous meeting or meetings shall be amended, corrected and approved and if approved by a majority of the Council shall be entered in the permanent records of the City without being subject to further change or amendment. Minutes of previous meetings shall not be read aloud in their entirety unless so required by a vote of a majority of the Council. Minutes of previous meetings may be included for action as part of the consent agenda.

(vii) **Consent Agenda.** The consent agenda shall be prepared by the City Manager each week. It shall be restricted to the necessary actions to be taken by the Council in connection with ordinances, resolutions, or other matters previously approved, placed on reading or adopted, or routine matters to be approved. Items on the consent agenda, although listed separately, shall be considered collectively as a consensus agenda and an affirmative vote of the Council on the consent agenda will allow and be construed as an affirmative vote to take the recommended action as stated on each item. Any item on the agenda may be considered separately by request of any member of the Council, or the City Manager, in which event it will be set aside for separate discussion and remaining items on the agenda will be voted upon as a consensus agenda.

(viii) **Unfinished Business Agenda.** Items on this agenda will be those items of unfinished business carried over from previous

meetings and designated for further consideration by the Council.

(ix) **New Business Agenda.** The new business agenda shall be prepared by the City Manager and shall include all items to be presented officially to the City Council. Each item shall include sufficient summary explanation to make clear to members of the Council and the public, the matter to be discussed and the action requested. Additional or supplemental information may accompany the agenda or follow as soon thereafter as practical. Items on this agenda shall be presented by the sponsoring City Councilmember, the City Manager or such members of the staff as the City Manager may designate. Generally speaking, the order of presentation shall follow the agenda except as may be directed otherwise by the meeting chair and each item shall be concluded before the next item is discussed. Except for questions from members for purposes of clarification, the sponsoring Councilmember and/or the City Manager shall be permitted to address fully each individual item before detailed questions or discussion is had either by the members of the Council or by public members present.

(x) **Planning Agenda.** The planning agenda shall be prepared by the City Manager. Items on the planning agenda shall include all regulatory and policy matters which carry the recommendation of the Planning Commission, and may include other matters referred to the City Council from the Planning Department. The planning agenda shall be considered by the Council following all other matters of business. Public hearing on planning items is conducted by the Planning Commission under provisions of state law. Additional hearing on zoning applications will not be conducted by the Council. Applications may be referred back to the Planning Commission by majority vote of the Council if:

(a) A written statement is filed with the City Clerk by 5:00 p.m. on the Wednesday preceding the Council meeting:

(1) Alleging unfair hearing before the Planning Commission; or

(2) Alleging new facts or evidence has been filed with the City Clerk by 5:00 p.m. on the Wednesday preceding the meeting; or

(b) The Council determines that further deliberation is needed by the Planning Commission.

A matter returned to the Planning Commission for further

consideration should be accompanied by a statement specifying the basis for the remand.

(xi) **First Reading Agenda.** The first reading agenda shall be prepared by the city manager and shall include all ordinances, including planning/zoning ordinances to be presented officially to the city council. Each item shall include sufficient summary explanation to make clear to members of the council and the public the matter to be discussed and the action requested. Additional or supplemental information may accompany the agenda or follow as soon thereafter as practicable. In general, there shall be no public discussion of items on the first reading agenda.

(xii) **Miscellaneous.** Under unusual circumstances, authorized by suspension of a rule, miscellaneous or other matters either added to the agenda or not on any agenda may be considered.

(xiii) **Presentations by the City Manager, Mayor and Members of Council.** The agenda shall provide a time when the City Manager, Mayor and/or any Councilmember may bring before the Council any business that he/she feels should be deliberated upon by the Council. These matters need not be specifically listed on the agenda. The requested items should be listed as a pending request on subsequent agendas until formal action is scheduled.

(xiv) **Public Comment.** Requests by members of the public to speak will be placed on the agenda on a "first-come, first-served" basis. This portion of the meeting shall be subject to a limitation of four minutes for each presentation with extension of time permitted only upon approval of a majority of the Council. Members of the public desiring to speak to the Council on the public comment portion of the agenda must notify the City Clerk by 5:00 p.m. on the day of the Council meeting. The request should state the name of the individual(s) desiring to be heard and the matter to be presented. Matters pertaining to personnel, litigation and violations of laws and ordinances are excluded from the agenda. Further, public comment shall be limited to topics directly relevant to business of the City Council. Rules of decorum as provided in these rules will be observed.

(xv) **Adjournment.** Adjournment shall occur no later than the hour of 10:00 p.m. when moved, seconded and approved by a majority of members present; or as shall be announced by the chair at the conclusion of business in the event no majority is obtainable from members present; provided, that meetings may be continued beyond the hour of 10:00 p.m. when moved, seconded and approved by a

majority of members present.

5.3 Rules of Order and Motions:

(a) **"Roberts Rules of Order Revised"**: Shall govern the proceedings of the council in all cases, except as provided below and unless they are in conflict with these rules.

(b) **Motions**: Generally speaking, action of the council shall be indicated by a vote of the councilmembers present at each meeting after motions have been made and seconded by individual councilmembers. Except as otherwise provided by ordinance, statute or these rules, the following rules shall apply to motions by the individual councilmembers:

(i) **To Dispose of a Matter Without Action**: In order to dispose of a matter without action by the council either affirmatively or negatively and after such matter has been presented to the council properly, and after appropriate comment or recommendation by the manager, a motion "To receive and file" shall be in order and shall be not debatable;

(ii) **"To Defer"** (debatable): Consideration of any ordinance, resolution or other matter on a city council meeting agenda may be deferred for up to six (6) months by the affirmative vote of at least five (5) members of the council. The deferral date may be amended by the approval of a motion establishing a new date for consideration of the item. The new date for consideration shall be no sooner than the next regular city council meeting following approval of the motion;

(iii) **"To Refer"** (not debatable): Such action shall be appropriate in connection with investigation and report.

(iv) **"To Strike"** (debatable): This motion may be used to remove an item from the agenda without prejudice to said item so that it may be returned to the agenda at any later date in accordance with established procedure.

(v) **To Dispose of a Matter with Affirmative or Negative Action**: In order to dispose of a matter with affirmative or negative action by the council after such matter has been presented properly from the appropriate agenda and after appropriate comment and recommendation from the city manager and public members present, the following motions shall be in order and shall be debatable:

(1) **"To approve"** (debatable): A specific recommendation or proposal;

- (2) "To disapprove" (debatable): A specific recommendation or proposal;
- (3) "To request" (debatable): A specific action;
- (4) "To direct" (debatable): A specific action.

(vi) **To Amend a Motion:** In order to amend motions previously made, the motion "to amend" shall be in order providing the motion for amendment shall be made with the consent of the maker and the second to the original motion and providing further that a motion shall be amended only once before a vote has been taken. Motions to amend shall be debatable providing the original motion was a debatable motion.

(vii) **To Substitute a Motion:** In order to substitute a motion for a motion which has already been made and seconded, a motion "to substitute" shall be in order providing that the substitute motion shall be made immediately after the original motion has been made and seconded and before a vote has been taken. Substitute motions shall be made only once and shall be debatable providing the original motion was a debatable motion. Substitute motions shall not be used for purposes of confusing the issue and shall not be motions directly contrary to the original motion but shall be confined to other substitute actions with respect to the original motion.

(viii) **To Reconsider a Motion/Item:** Except as provided below, no matter previously acted upon by the city council may be reconsidered by the city council until six (6) months have elapsed since the previous action. This limitation shall apply to any matter considered and voted on by the city council, including the consideration of ordinances or resolutions which repeal, in their entirety, previously adopted ordinances or resolutions. These limitations on reconsideration shall not apply to the following:

- (1) A motion to reconsider the matter that is adopted during the same meeting as the initial action, as provided for in Roberts Rules of Order.
- (2) Reconsideration is needed to correct a typographical or legal error in the original item, or if the new item amends or differs in a substantive manner from the previously adopted or considered item.
- (3) Reconsideration is otherwise allowed by statute or law.

(ix) **To Suspend a Rule:** In order to suspend temporarily any particular rule for a particular purpose not contrary to statute or city ordinance, a motion "to suspend" a rule shall be in order and such a motion shall not be debatable. Suspension of a rule shall be approved by a two thirds (2/3rds) majority of the council, and shall take effect for the particular rule in question only for the particular time in a particular meeting in question and shall not be considered as a permanent suspension of a rule.

(x) **To Adjourn a Meeting:** In order to adjourn a council meeting, a motion "to adjourn" shall be in order providing such motion is made at the ordinary or usual conclusion of business on the agenda and providing that motions to adjourn shall not be used to embarrass, to harass, to foreclose discussion and debate or for any other purpose other than the orderly termination of council proceedings at such times as may be appropriate in each particular meeting. Motions to adjourn shall be not debatable and shall take precedence over any other motions at the end of council meetings and any other actions except points of order or privilege.

(c) **Debate and Cloture:**

(i) Public comments on matters on the agenda shall only be allowed as specified herein. Comments from the city manager shall be allowed on all motions. Notwithstanding this general rule, any councilmember may at any time move to close the public debate and, if seconded, all further discussion of the matter by members of the public shall cease and the council shall vote on said motion which, if passed, shall close public debate. Discussion and debate of the original motion may be continued between members of the city council and the city manager, until the mayor or any other councilmember calls for the question. A call for the question, if seconded, shall immediately end all debate and discussion, and if passed by two thirds (2/3rds) vote, the original motion must be voted on without delay, provided however, that the call of the question shall not be implemented until all members of the council have had an opportunity to speak to the original motion. After the formal vote has been taken by the council, all further discussion of the matter shall cease unless appropriate affirmative action follows to place the matter again before the council for reconsideration.

(ii) Members of the public wishing to speak on a specific matter on the published meeting agenda must notify the city clerk by 5:00 PM on the day of any council meeting. This requirement shall not apply to items added during the course of a meeting. Members of the public

addressing the city council will be limited to four (4) minutes of public address on a particular agenda item. Debate, question/answer dialogue or discussion between councilmembers will not be counted towards the four (4) minute time limitation. The council may, by affirmative vote of five (5) members, extend the four (4) minute limitation. Persons will be limited to addressing the council one (1) time on a particular matter unless otherwise allowed by an affirmative vote of five (5) members of the council.

(d) **Recesses:** Recesses of the council shall be declared by the presiding officer or a majority of the council.

(a) No ordinances or resolutions or other documents shall be prepared by the city attorney unless requested by the city manager, the mayor or any councilmember.

(b) The council shall not consider any ordinance, resolution or other item sponsored by a councilmember(s), the mayor or the city manager unless it has first been distributed to the council at least five (5) days prior to a 6:00 PM council meeting.

(c) Ordinances, resolutions or other items that require the city council to sit as a quasi-judicial body (for example, zoning and licensing matters) shall not be required to follow the provisions of this rule.

(d) Administrative ordinances, resolutions or other items, which are intended to implement or execute policies already established by the council shall not be required to follow the provisions of this rule. Examples of administrative ordinances include, but are not limited to, items that approve the expenditure of budgeted funds, the authorization of public improvement projects (if the same are already approved as part of a capital improvements plan or budget) and the approval of licenses. This exception does not preclude the presentation of administrative ordinances, resolutions or other items to council committees.

- 6.4 City Attorney to Approve:** All ordinances and resolutions shall be "Approved as to Form and Legality" by the city attorney or a designee. Such approval shall be so indicated by signature on the last page of the ordinance before presentation to the council.
- 6.5 Distribution of Ordinances:** The city clerk shall prepare copies of all proposed ordinances for distribution to all members of the council at least twenty-four (24) hours before the council meeting at which the ordinances are to be introduced, unless earlier presentation is otherwise required by these rules. If the ordinance carries an emergency clause, copies of the ordinance must be distributed at least twelve (12) hours prior to the meeting of the council at which said ordinance is to be considered.
- 6.6 Ordinances Deferred; Emergencies and Appropriations:** Ordinances introduced at a council meeting shall not be finally acted upon until at least the next official meeting, except that appropriation and emergency ordinances may be acted on immediately, and provided further that an affirmative vote of at least five (5) members of the council shall be required for the final passage of an emergency ordinance.
- 6.7 Consideration of Ordinances and Resolutions:**
- (a) Each proposed ordinance shall be read by title or in full two (2) times. Except in case of a bill for an emergency ordinance or an appropriation ordinance, not more than one (1) such reading shall be on the same day, and at least one (1) week shall elapse between introduction and final passage.
 - (b) Each proposed resolution shall be read by title one (1) time and introduction and final passage may be on the same day.
 - (c) No proposed ordinance or proposed resolution shall be passed by the council on the same day it is introduced if that ordinance or resolution was added to the agenda during the meeting of the council.

- 6.9 Majority Vote Required:** An affirmative vote of at least five (5) members of the council shall be necessary to pass an ordinance, a resolution, motion, or any other proposition (except as otherwise specified in city ordinance or state statutes). When any vote is called each councilmember shall respond "yes (aye)," or "no," or "abstain." No councilmember shall vote in absentia. A councilmember must be physically present at the time a vote is called in order for the councilmember to vote.

- 6.10 Numbering Ordinances and Resolutions:** Upon passage, a number shall be assigned to each ordinance or resolution by the city clerk.
- 6.11 Ordinance Passage Procedure:** When passed by the council, an ordinance shall be presented to the mayor for approval or veto and be attested to by the city clerk; and it shall be immediately filed, published and thereafter preserved in the office of the city clerk.

The deputy mayor shall appoint the members of the standing committees. Appointments shall be made by the first meeting in May. Each councilmember shall fill out a committee preference list for a standing committee and the deputy mayor shall make every effort to appoint councilmembers to the committee of their choice.

Councilmembers shall serve on their assigned committees for a one (1) year term. Councilmembers who wish to change committee assignments may do so with permission of the deputy mayor. Each standing committee shall elect the chair from among its members.

This shall be the responsibility of the chair of the committee. Amendments approved by the committee shall be separately attached to the original item. The council may approve committee amendments by either adopting the committee report or voting separately on each amendment.

No item removed from a committee pursuant to this section shall receive final consideration by the city council during the same meeting in which it was removed from committee.

to the full committee. A majority vote of the members present shall decide the question.

(ix) **Minutes:** Minutes shall be kept of each meeting. Minutes shall be reviewed and approved by the chair prior to submittal to the city council. A majority of the committee may amend the minutes at the next regular meeting of the committee. The minutes shall reflect the attendance of members and vote on each issue.
