ATTENTION ATHLETES:

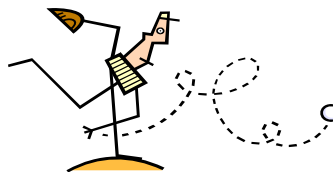

Good sportsmanlike conduct is required of all participants in any KSO Fun Event at all times. Any participant displaying less-than-desirable conduct at any time towards another competitor, any meet official, any volunteer or any KSO staff member will be disqualified from KSO competition. The KSO Director and Event Coordinators will enforce this rule at all times.

SOFTBALL THROWS

Date: Saturday, October 1, 2011
Time: 7:30am
Venue: Rueger Park, 2801 SE Kansas

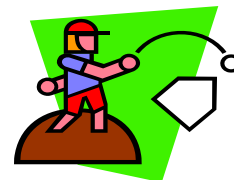

THROW FOR ACCURACY

- Five (5) consecutive throws will be made by each contestant from the following distances.
Men: 10 and 15 yards Women: 8 and 12 yards
- The target will be the opening in a 25 inch ring, the center of which will be 5 feet off the ground.
- Ten points will be awarded for each throw from the 8 and 10 yard line that goes through the target.
- Twenty points will be awarded for each throw from the 12 and 15 yard line that goes through the target.
- The object of the event is to score the highest possible number of points.
- A foot fault call by the official will automatically nullify that throw.
- One practice throw will be allowed from each distance. The player must announce beforehand if they are taking a practice throw or throwing for a score.
- In case of a tie, the participant with the most consecutive shots will be declared the winner. If a tie still remains, the player acquiring the most points in the longer distance will prevail.

THROW FOR DISTANCE

- Participants must use balls furnished by KSO.
- Each participant will get 3 practice throws and 5 official throws.
- Each participant must stay behind the throwing line
- Each participant will receive only one opportunity to make his practice and official throws.

FOOTBALL THROW FOR ACCURACY

Baggo

Date: Saturday, October 1, 2011
Time: 11:00am
Venue: Rueger Park, 2801 SE Kansas

Baggo is a combination of the skills required in bowling, horseshoes, and softball. The two Baggo boards are placed on the ground facing each other. Players stand alongside or behind the board and toss a small bag at the hole in the opposite facing board.

1. A bag in the hole is a "Baggo" or 3 points.
2. A bag that lands on the board, but does not go in the hole is 1 point.

Rules:

- ◆ The boards are placed approximately 20 feet apart.
- ◆ Each player plays with a set of 4 bags.
- ◆ A player's toes must not project past the front edge of the board (foot foul line) when tossing the bag or a foot foul will occur, resulting in no points scored for that toss.
- ◆ Players toss all 4 bags at one time, and a total score is taken for that round.
- ◆ The round is scored using the "count-all" method. (See Scoring)
- ◆ After scoring player #1, Player #2 may toss all 4 bags for their score.

Baggo Scoring:

- ◆ A game = 8 innings.
- ◆ Scoring will be based on the "count-all" method. Both players receive credit for the number of points their own Baggos are worth in each inning. (All Baggos in the hole and on the board count)
 - a. Each Baggo in the hole scores three (3) points.
 - b. Each Baggo on the board scores one (1) point.
 - c. Example: Player A has 2 baggos in the hole – this results in 6 points for Player A.
Player B has 2 baggos on the board and 1 in the hole – this results in 5 points for Player B.
- ◆ After 8 innings, the score will be tallied by using the "count-all" method.
- ◆ No tie breakers are needed; for Fun Events in KSO, multiple ties will be awarded.
- ◆ "Count-all" points will be scored against all players in the athletes' gender and age group.
 - * This means you may toss against an athlete of the opposite gender or a different age group, since only your total "count-all" score will be used to determine the winner in each gender's age group.

ATTENTION ATHLETES: Good sportsmanlike conduct is required of all participants in any KSO Fun Event at all times. Any participant displaying less-than-desirable conduct at any time towards another competitor, any meet official, any volunteer or any KSO staff member will be disqualified from KSO competition. The KSO Director and Event Coordinators will enforce this rule at all times.

PLEASE NOTE: KSO Fun Events will be conducted ONLY at the times indicated on the KSO Event Schedule. Please do not ask to compete at any other time. Time and staff constraints do not allow us to give special consideration to any athlete.

Washers

Date: Saturday, October 1, 2010
Time: 1:00pm
Venue: Rueger Park, 2801 SE Kansas

The Game:

Washers is a contest between two (2) opponents to determine who is the most accurate at tossing two inch flat metal washers into a target from a distance of fifteen (15) feet.

Equipment:

1. The target box shall consist of a 15 inch square base with sides 4 inches in height. Centered in the box is a cup (PVC Pipe) 4 inches in diameter and 5.5 inches in height.
2. Each player will have three flat metal washers (2 inches in diameter).

Rules:

1. The distance between the center of one cup and the center of the other shall be 15 feet.
2. The toss lines shall be the back edge of each target box extended. A player must maintain contact with the floor behind the toss line with at least one foot until the washer is released.
3. A coin flip will determine which player starts the game. Participants shall alternate first pitch each subsequent inning. Washers shall be tossed underhand.
4. Each participant shall toss his/her three washers in succession followed by the opponent tossing his/her three washers.
5. A game is divided into 8 innings. Each inning shall consist of six pitched washers total.
6. **BOUNCE RULE:** A washer that first contacts the floor or ground outside the target box shall not be scored even though it might bounce into the scoring box or cup. In such cases, the washer shall be considered “out of count” and shall be removed from the scoring box or cup before the next washer is tossed.
7. **RIM RULE:** A washer that comes to rest on the rim of the scoring box and has not bounced on the floor or ground does not count UNLESS it subsequently gets knocked into the scoring box or cup by another washer.
8. **SCORING:** Scoring will be based on the “count-all” method. Both contestants receive credit for the number of points their own washers are worth in each inning. (All washers in the cup or box count towards score).
 - a. Each washer in the box scores one (1) point.
 - b. Each washer in the cup scores three (3) points.
 - c. Example: Player A has 2 washers in the box – this results in 2 points for Player A.
Player B has 2 washers in the box and 1 in the cup – this results in 5 points for Player B.
 - d. “Count-all” points will be scored against all players in the athletes’ gender and age group.

* This means you may toss against an athlete of the opposite gender or a different age group, since only your total “count-all” score is used to determine the winner in each genders age group.

9. **LENGTH OF GAME:** The game concludes after all 8 innings have been played. Both players scores will be tallied using the “count-all” method.
 - a. No tie breakers are needed; for Fun Events in KSO, multiple ties will be awarded.
