Dear Pet Owner:

Every dog or cat in Topeka, over six months of age, must have a City License. Tags are valid one year from the date of purchase and are not transferable either to another pet or owner.

Please complete the information area below and mail or bring it to this office. Proof of current rabies vaccination is required with a \$20.00 fee (\$8.00 if sterilized). We will return your rabies certificate with your new ID tag and City License.

Fasten the new ID tag on your pet's collar upon receipt. Lost tags may be replaced for \$1.00.

Thanks for helping maintain a well controlled, disease free pet population.
