

Station Location Analysis

- Maps show a travel time of 5:30 seconds.
- The travel time was figured by the city GIS system, utilizing current street maps.
- These maps take in account normal traffic and traveling the speed limit.

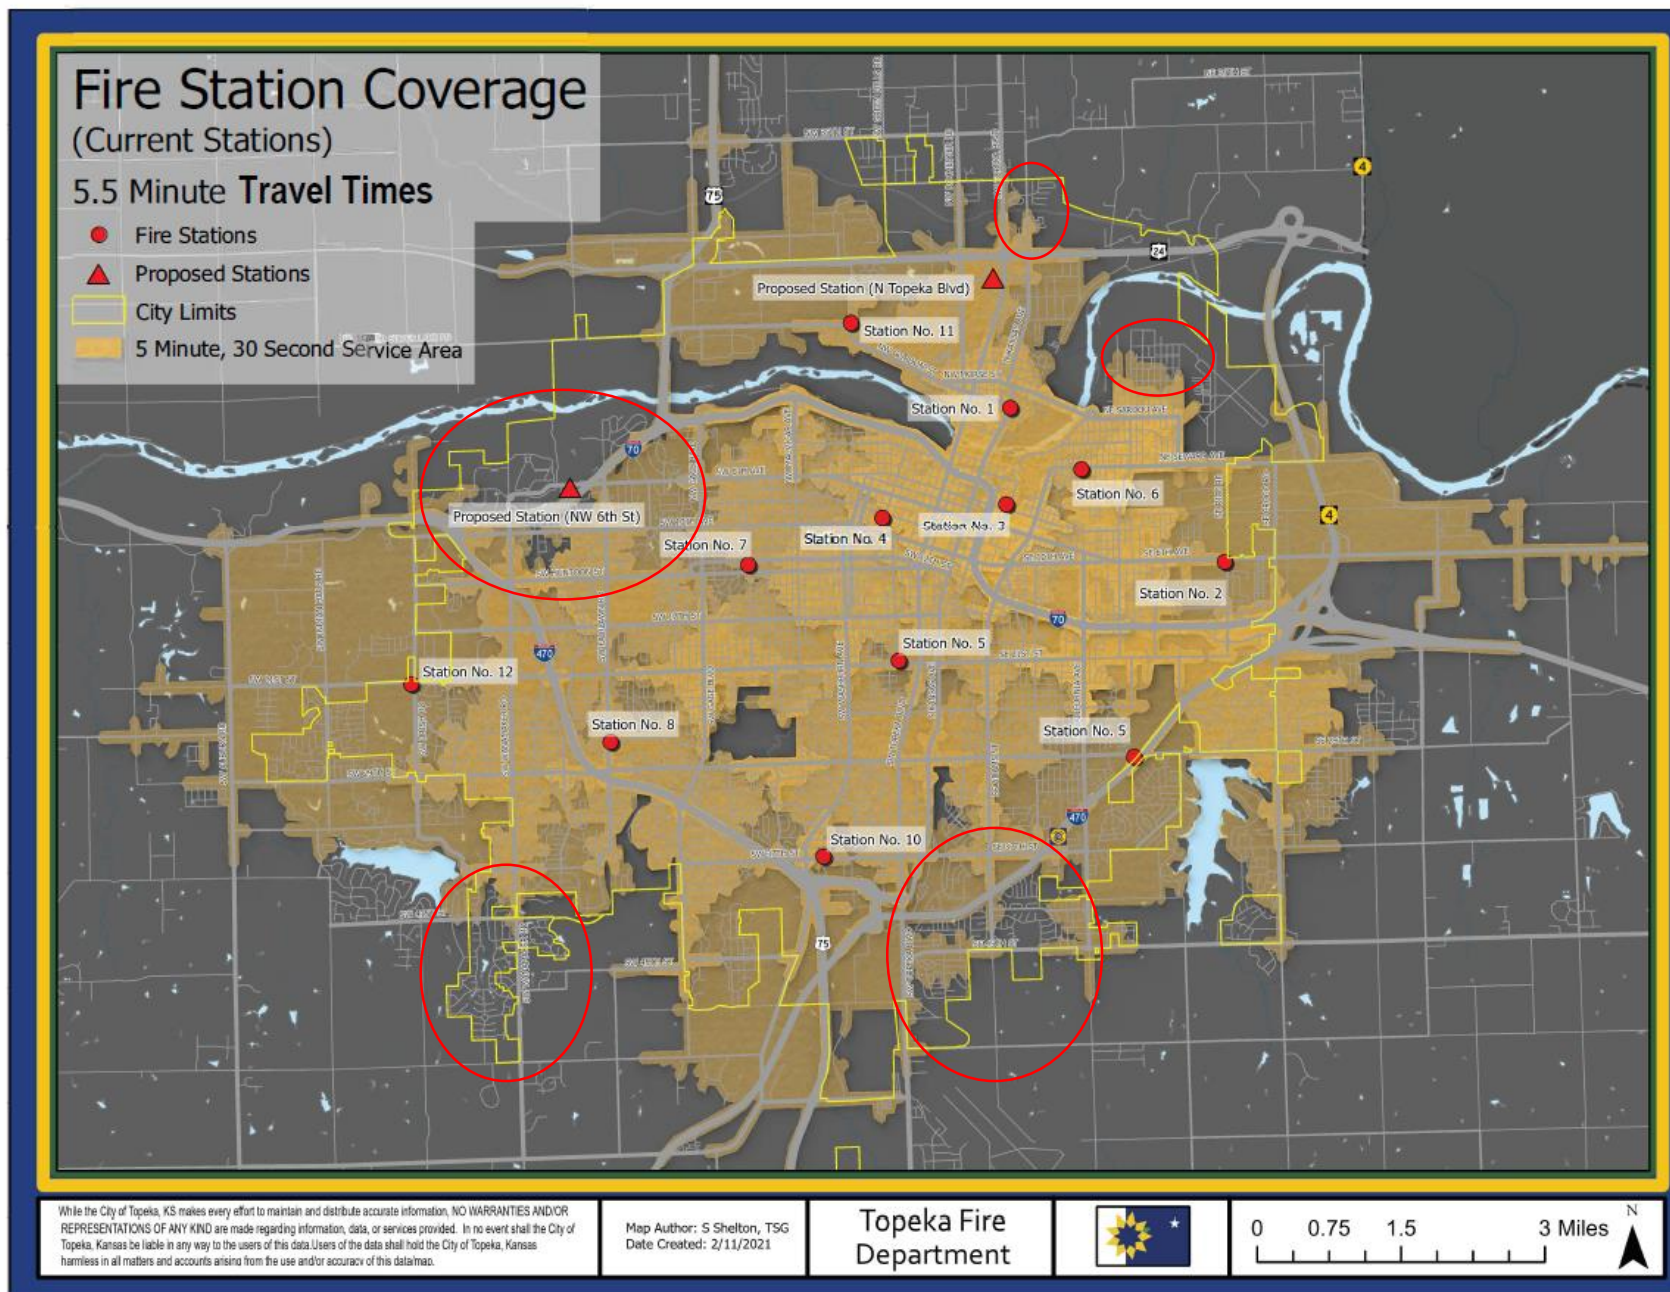

Current City Coverage

Shown is the area covered within a 5:30 travel time from each fire station.

All travel time calculations assume all vehicles start from the station.

There are several areas that are not effectively covered with our current station locations

The area around MARS and Walmart Distribution are on this map due to the distance.
