Councilmember Preisner moved to approve the consent agenda as amended. The motion seconded by Councilmember Ortiz carried unanimously. (8-0-0)

Norton N. Bonaparte, Jr., City Manager requested to withdraw item 5A, a public hearing for Southwest Publishing and Mailing Corporation; and item 9D, an ordinance relating to the issuance of Internal Revenue Bonds for the Southwest Publishing and Mailing Corporation from the Council agenda. He reported that the Corporation has decided not to proceed with the financing at this time.

Upon hearing no objections, Deputy Mayor Harmon withdrew the public hearing and ordinance from the Council agenda.

ORDINANCE NO. 19275 introduced by City Manager Norton N. Bonaparte, Jr., adopting a twelve-month extension of the franchise for Southwestern Bell Telephone Company d/b/a AT&T Kansas placed on first reading June 23, 2009 was again presented. (*Contract No. 39620*)

Norton N. Bonaparte, Jr., City Manager gave the staff report.

Joseph Ledbetter questioned if the public was allowed to bid on the service. He noted that there are a number of area companies that would like the opportunity to be a service provider.

Councilmember Preisner moved to adopt the ordinance. The motion seconded by Councilmember Ortiz carried unanimously. (8-0-0)

The ordinance was adopted on roll call vote as follows: Ayes: Hiller, Ortiz, Woelfel, Wolgast, Swank, Archer, Preisner and Harmon -8. Absent: Alcalá and Mayor Bunten -2.

RESOLUTION NO. 8178 introduced by City Manager Norton N. Bonaparte, Jr., concerning the development of a bikeway master plan and authorizing the allocation of \$15,000 from the City's general fund for the development project was presented.

Norton N. Bonaparte, Jr., City Manager gave the staff report.

Councilmember Swank moved to approve the resolution. The motion was seconded by Councilmember Preisner.

Joseph Ledbetter spoke in opposition to the resolution. He stated that the City has a history of not following suggestions made by consultants.

Deputy Mayor Harmon stated that he supports a bikeway master plan; however, because projected sales tax revenues are down he questions if the expenditure is necessary at this time.

Councilmember Ortiz asked if a bikeway master plan was discussed during the Heartland Visioning process and if a funding source was identified.

Norton N. Bonaparte, Jr., stated that the bikeway master plan was drafted by the Topeka Metropolitan Planning Organization. He noted that the plan was an important piece of the Complete Streets Concept.

Councilmember Hiller stated that the concept of bicycle paths was incorporated in the Heartland Visioning process; however, a funding source was not identified.

Councilmember Archer questioned if the City would have the necessary funding in the future to implement the bikeway master plan. He also asked if the City could provide consulting services internally for the project.

David Thurbon, Planning Director stated that he anticipates that the completed plan would identify a funding source. He also stated that in his opinion, implementation of the plan would take minimal funding because bike lanes could be incorporated as street improvements are being done. He reported that it would be difficult for the Planning Department to provide consulting

services because they do not have enough full-time employees to assign to the project, or the expertise.

Councilmember Swank stated that \$15,000 is a small investment for the City to make if it attracts tourists and contributes to quality of life.

Councilmember Harmon asked if there were any area firms that were qualified to provide consulting services for this type of project.

Councilmember Hiller asked when the plan would be completed.

David Thurbon stated that it would take approximately six to eight months to complete the study once a firm has been hired. He also stated that there are firms in the area that could provide consulting services.

Councilmember Hiller stated that it is a good time to incorporate the plan with the 10-Year Street Maintenance Program.

Councilmember Archer stated that it was his understanding that sales tax revenue could not be used for this type of project.

Jackie Williams, City Attorney stated that sales tax revenue could only be used for repairs or maintenance of existing streets, curbs and gutters.

Councilmember Hiller questioned why the stripping of a street is considered part of a street improvement and the painting of a bike path is not.

Councilmember Woelfel expressed concern with the assumption that sales tax revenue could be used for this type of project. He also stated that he believes it is an inappropriate expenditure at this time.

The motion to approve the resolution carried. Councilmembers Woelfel, Archer and Harmon voted “no.” (5-3-0)

ORDINANCE NO. 19276 introduced by City Manager Norton N. Bonaparte, Jr., allowing and approving City expenditures for the period of June 8, 2009, through June 14, 2009, and enumerating said expenditures therein was presented for first and final reading.

Norton N. Bonaparte, Jr., City Manager gave the staff report.

Joseph Ledbetter expressed concern with certain expenditures slated for approval and how the expenditure report is presented to the public and new councilmembers.

Councilmember Preisner moved to adopt the ordinance. The motion seconded by Councilmember Wolgast carried unanimously. (8-0-0)

Norton N. Bonaparte, Jr., City Manager gave the staff report.

Joseph Ledbetter expressed concern with the amount of expenditures that are being approved each week by the Council. He questioned if the City receives the best price available through the competitive bid process.

Councilmember Archer asked Mr. Ledbetter for suggestions on how to improve the process.

Mr. Ledbetter stated that he does not have any suggestions at this time. He encouraged the Council to remain informed and make sure proper procedures are being followed.

Councilmember Preisner moved to adopt the ordinance. The motion seconded by Councilmember Ortiz carried unanimously. (8-0-0)
