801 NE Poplar  
from 6:30 p.m. to 8:00 p.m.

Please join us and become involved  
Working together we can make our  
neighborhood great!

We would like to invite our neighbors to help us determine what to apply for with the empowerment grant money that is available this year for smaller projects in our neighborhood. We need suggestions by the June NIA meeting, so we can fill out the paperwork and have it ready for approval by the Neighborhood Improvement Association at the July meeting. Large projects are underway right now, SORT and the Seward Avenue project. We will be getting an update on SORT this month and the Seward Avenue Action Group is moving to the next step in revitalizing the Seward Avenue corridor and the whole neighborhood.
